The Director of Central Intelligence

Washington, D.C 20505

Critical Intelligence Problems Committee

28 February 1984

DDW-51

Weekly Activities and Status Report for DD/ICS--28 February 1984

- [] met with [] on 22 February and briefed him on the CIPC structure and reviewed with him the major CIPC projects presently underway.
- On 23 February, [] attended the IICT meeting, at the invitation of []
- Also on 23 February, [] briefed three Director, NSA "Fellows" on the role and mission of CIPC.
- The DABMs Working Group has been in session all week revising the draft detailed study. 25X1
- We have completed revised flow diagram for the assessment and evaluation concept. We are now in the process of putting essential descriptive words to the various steps of the concept.
- The first meeting of the CBW Working Group will be convened on 29 February.
- []
- The Narcotics Report is undergoing final review and will then be forwarded to the print shop, NLT COB 29 February.
- -- [] is concurrently preparing forwarding memoranda to the SSCI and HPSCI. 25X1
- Work on the China report continues. All inputs from the three subcommittees have been received, however, this project continues to run some 4-6 weeks behind schedule.
- The Critical Intelligence Needs Package is essentially complete. It is presently awaiting final typing. Hopefully, we can include this subject on our March CIPC agenda.
- The coordination process for the CBW TOR is completed, and we are in the process of finalizing the TOR and forwarding it to the Chairman, CBW Working Group for implementation and to the CIPC principals for information.
- The Narcotics Subpanel Report is presently on hold because of higher priority projects. However, [] will begin reworking the report subsequent to the first CBW meeting. 25X1

WORKING PAPER

25X1

Terrorism: [redacted]

25X1

- Agencies' contributions to the Terrorism study have been received, with one or two exceptions. [redacted] are now working with those contributions to produce a first draft. 25X1
- [redacted] spent three days at [redacted] at an "Executive Team Building Seminar" sponsored by the NIO for Warning for the Washington Area Operations Center Chiefs. [redacted] does not recommend the one day of training involved--it centered on the Managerial Grid concept--but he did obtain considerable value from the two days of business exchange which followed. 25X1
Of particular interest, FLASHBOARD received rave reviews from all of the dozen participants. In fact, the NIO for Warning was directed by the agency representatives to write a letter to you in your capacity as Chairman, CIPC, requesting a study of the feasibility and advisability of installing a similar system to connect each of the operations centers.

CBW Working Group: [redacted]

25X1

- [redacted] met with [redacted] CIA/OSWR (Life Sciences) on Monday, 27 February 1984, for a background discussion on possible improvements in the Community's CBW efforts. On 29 February, [redacted] and [redacted] will meet with STAP to discuss the respective CIPC/STAP CBW projects. On 2 March, [redacted] will meet with NSC Staffers to gain their perspective on the subject. 25X1
